全民人生两全保险(分红型)(2013年5月):保单年度末现金价值表(女性,复效,每千元基本保费)

Table with 51 columns (labeled 0 to 50) and 60 rows (labeled 1 to 60). The table displays numerical values representing the cash value of a life insurance policy over time for different ages. Values generally increase with age and over time, with some rows showing a constant value of 5000.000.

金祝人生两全保险(分红型)(2013年5月): 保单年度末现金价值表(女性, 复利, 每千元基本保费)
